WE'RE CHANGING!

Well, all good things must come to an end, and so this is the last issue of **HAWK** as we know it—featuring **The Hottest Young Babes On The Planet**. Yes, it's hard to believe . . .

We strongly encourage you to pick up **Purely 18** and **Finally Legal**, our "sister" publications, for the most incredible young girls in the world today, in sizzling solo, girl-girl, and guy-girl action. Both magazines feature shy, curious, experimental amateurs as well as super-smokin' young porn stars.

As for **HAWK**, beginning with the June '09 issue, it will be presenting itself as an amazing MILF magazine, **MILFs In Heat**, and it will feature the hottest moms—sexy housewives as well as lusty celebrities—just the way you fantasize about them—ready to pounce on unsuspecting young studs.

We at **HAWK** have always appreciated your business and loyalty, and we sincerely hope that you'll grow to love **Purely 18**, **Finally Legal**, and for the other side of the young-girl spectrum, **MILFs In Heat**.

Best of luck, and 'bye for now,

Ken Kerouac

HAWK Magazine

Dear HAWK,

Your March issue may be your magazine's finest moment. The girls seemed to be at their most plucky and playful, and none more so than Miss Nikki Brooks.

I don't claim to know Miss Nikki and, sadly, we will probably never meet. Nonetheless, her pictorial makes an extraordinarily strong statement. One can see in her eyes the state of the universe, both its beauty and its turmoil. The twists and turns of her fantastic figure are reflective of the chaos of nature. Even today the world's finest engineers could never develop breasts so big and full and suckable. Her pussy so bare is like the Earth's deserts, while beneath there is her special feminine oils so sweet and juicy and pure.

It is perhaps as much a lesson in a just-blossomed girl's entry into full-blown sexuality as it is an example of perfection and just how far human evolution has come. I suggest she is the most adorable girl HAWK has ever run. In the case that I'm wrong, I have enclosed $15 for you to send me the back issue with the girl who was hotter. Now that's something I have to see!

Jeremy
Las Vegas, NV

Dear Jeremy,

We learned long ago that there is little use in debating which girl is the hottest since everyone has his own opinions and tastes. That doesn't mean we won't fight for what we believe in and throw down when another guy disagrees regarding a girl's hotness. Fortunately, with Nikki we've found something we can all believe in. She is just damn hot and there is no getting around it!

Dear HAWK,

I was so pleased to open up your magazine to find Jaime. I met her last year at the AVN show in Las Vegas and was absolutely blown away by her beauty. I'd seen her before in pictures and just couldn't believe that she was even more beautiful in person. The greatest thing about your photos? They are the first I've ever seen that truly capture her magnificence.

Such splendor is so rare to see. Her red hair is long and elegant with sassy ringlets that bounce around her perfect face. Her boobs are small but shapely with nipples that seem to look a guy right in the eye. What I would give to watch her carefully shaving her pussy, each hair falling like a tree in the forest as we clear the hills for livestock and corn.

I thank you for obviously giving such close

attention to her detail. Jaime is the most beautiful girl I've ever met in person (and incredibly sweet, too) and HAWK really did her justice.

Blair
New Haven, CT

Dear Blair,
You have a keen eye for loveliness and how lucky are you to have met her in person! It is true that she is beyond beautiful and yet somehow manages to be fun and down-to-earth and sweet. We love Jaime and hope she will continue to make appearances in HAWK as she represents the finest this world has to offer.

Dear HAWK,
This letter I am writing is regarding Sabrina Starr. You remember her—she was in the March issue and also on the cover. She was a brunette with a fine rack, bare cooze, and she was wearing a school uniform. You know the kind, plaid skirt, white shirt. If none of that rings a bell, perhaps you remember her panties with the whorizontal stripes.

I thought that would tap into your collective memory bank. (You should have remembered her since she was on your cover!) Would it be coming on too strong if I were to tell her via you that she is a dream babe and I want to fuck her damn brains out? I don't know what the proper take on such things would be, but I believe in these fast times, one must be direct. So I put it out there. I want Sabrina and I want her now! And you can (and better!) tell her I said so. I'll be waiting.

Rich
Pearl City, HI

Dear Rich,
How could we possibly forget Sabrina Starr?! Sure, we've had a few girls with the name Sabrina come through our doors over the years, but we are very good at remembering who is who. Otherwise it would just be a blur of hotties, which wouldn't be altogether bad. As for letting Sabrina know your desires, it has been done. She has your letter and personal info and whatever happens between the two of you is strictly between the two of you, unless one or both of you want to share….

Dear HAWK,
Thank you so much for showing young Riley Ray getting reamed by that guy in your March issue. I'm into thin chicks with little boobies, and she obviously fits that description. Man, she's about the greatest chick I've ever seen.

I can't imagine a world without HAWK every month! It is so wonderful to open up my mailbox and find the new issue. I bring it inside, open it carefully, and peel each page cautiously as not to tear one. The crisp pages full of fresh babes are some of the most cherished moments I have each year and I thought this would be a great time to tell you. I love you, HAWK, please don't ever change!

Glenn
Quahog, RI

Dear Glenn,
Thanks for the support. We love what we do and intend to keep on doing it. Ours is the greatest mission in the world and we are dedicated to it. Thanks, Glenn!

HAWK ON THE SET

Story By **Acme Andersson**

Great pleasure can be derived from such simple actions: A girl bent over to pull socks up to her knees. A pair of taut breasts pressing against a white shirt, threatening to one day pop the buttons. A beauty quietly pulling her panties aside, a single finger gently gliding up and down her clit as it slowly swells, anxious for further attention.

And attention we shall give. When a beauty is in need of our notice, we are there, pricks stiff and ready, anxious and willing to share our flesh with theirs. When she is hungry, our cocks will fill her mouth. When she is horny, our cocks will stuff her snatch. When she is thirsty, cum is our gift, and we are always willing to give.

*The **Naughty College School Girls** series explores the needs and desires of sexy students, and how they fulfill these cravings. In this outing, five fuck-hungry honeys put down their books just long enough to get their fill. **Sierra Snow, Halla Hill, Jessie Jolie, Marie McCray,** and **Cali Winters** are all willing and eager to extend their studies to include some hands-on sexual homework. They may not be graded, but if they were, the parents sure would be proud of their grades. Study hard indeed!*

SIERRA SNOW

Instructor: Anthony Rosano

After sliding Anthony's cock into her mouth a couple times, she takes it out, strokes it with her hand, and looks up at him dreamily and says, "That's a nice dick! I always had a crush on you." She lets the fleshpole slide back into her mouth, shaft vanishing between her pretty lips as she moans hungrily. Anthony rips her shirt open to view her pert breasts and then has little choice but to set her on the bed and peel off her panties and fuck her.

Sierra stares into his eyes, fingering her clit as he slips his meat into her pink taco. As he pumps, her boobies bounce gently and she smiles and moans, occasionally tearing her eyes away from his to watch his dick cramming into her hole. While lowering her cooze onto his rocket she tells him that his cock is better than her boyfriend's and then begins to fuck him hard. "I'm gonna cum on your cock," she purrs. "I'm gonna cum on you, I'm gonna cum on you, I'm cuuuuummmming!" She grinds onto his cock to hit her deepest spots, snatch lips gripped tightly around his dong.

By the time they hit doggie-style, it is a fucking frenzy, her sweet ass curvy and firm, his hands gripping her tight skin. He tells her that he wants to cum on her face and she turns around and smiles up at him as he jerks off, tool pointed straight at her target and with only a few strokes he blasts glob after glob of white goop on her mug.

Sierra uses all her openings!

HALIA HILL

Instructor: Michael Stefano

She's so tiny and beautiful that it's no wonder that Michael is eager to slip his nob into her yapper. She's pretty excited about the prospect, too. Stroking and sucking, big brown eyes looking up at him seriously. He pulls off her panties and Halia's teeny-weeny round ass is exposed.

That ass looks gorgeous when she mounts Michael, tight snatch swallowing his rod as she slowly lowers down. She rides him for a minute and then offers up a kind surprise by unbuttoning her shirt to expose surprisingly large bolt-ons, which Mike immediately stuffs into his mouth while continuing to drill her girlhole. Soon she is cumming with great enthusiasm, shaking on top of him, grabbing at his shoulders as she announces her orgasm.

They pull apart, each taking one end of the couch and masturbating for the other. Halia can't handle it for long, insisting he "Start fucking me more—now!" Her legs fly high into the air and Michael slides in, cock deep in her pussy. They do it doggie-style, Mike keeping one hand on her ass as he pumps her. She cums again and Mike can't hold back anymore and when she asks him to blast her face, he pulls out and splatters her kisser with thick lines of man-muck. She giggles, big brown eyes looking up at him as she strokes out every drop.

JESSIE JOLIE

Instructor: Ralph Long

If Ralph seems eager to get Jessie out of her panties, his enthusiasm is second to the girl's. She wriggles quickly out of the whites and is happy to have him plant his face in her crotch. He laps at her hungrily and it riles the young thing up, and soon she is gobbling his meat, hoovering him down with great satisfaction. It's the kind of blowjob that could take him all the way, but she has other plans.

She drops down to her hands and knees, flipping around to present that sweet vag to her long-donged friend. She doesn't need to draw him a map—he quickly enters and within moments they are going wild, Jessie moaning, groaning, and furrowing her brow, her pussy lips bloating and squeezing his cock. By the time she gets on for a reverse cowgirl, her snatch-flaps have expanded gloriously, waving like twin flags as she moves up and down. Her medium-sized tits flop only slightly more, held tight to her body as her arms reach behind to steady herself for a beautiful bull ride.

She gyrates forward and back, her little skirt flying up and down and her face contorting as she cums on his cock. Ralph drills as fast as he can as she orgasms and then immediately follows with his own, blasting creamy stripes from her chin to her hairline, sending Jessie into a minor giggle fit as she feels total satisfaction.

MARIE MCCRAY

Instructor: Anthony Rosano

Alone, Marie plays with her pussy and is pleased when she brings her fingers up to her mouth and sees how drenched they are. Apparently smelling something sweet in the vicinity, Anthony soon appears and takes over snatch duty, lapping at her lower lips and then giving her some rapid clit play with his pointer finger. It's love at first feel for both.

Shockingly, Marie is as enthusiastic as she is beautiful—and she is a knockout. She bends over on the couch and asks him nicely to stick his dick in her pussy. "Yeah, yeah, yeah, fuck that pussy, yeah, yeah, yeah!" she shouts, eyes lit up like Christmas, moans escaping through her pursed lips, talking dirty with every breath. They go to switch positions and Anthony pauses for a moment to unsnap the buttons on her shirt and is most pleased when he views her fantastic tits. He sticks his prick back in her pussy and he laughs wildly, overwhelmed by this opportunity to nail such a fantastic lay. She sees his satisfaction and smiles at the familiar reaction. "You like fucking my tight little pussy?" she asks. He answers by drilling her harder.

She rides him cowgirl, fine ass bouncing as she grinds him hard, his balls smacking her asshole with every penetration. She moans that she wants him to cum on her face and in no time she's on her knees working out his load, taking thick streams of goop, giggling as they land against her face, smiling as she takes his cock for a quick and final tour of her mouth.

Marie is one redhead we'd love to bed!

CALI WINTERS

Instructor: Steve Holmes

Cali smiles as Steve slides his rod into her cooch, though by the time he's all the way in, her expression changes to sweet surprise. He eases it in and the grateful gal keeps her legs spread wide, moaning heavily, hand on his shoulder, looking him in the eye as he begins his pumping. He quickly moves to doggie-style, Cali's panties still on, pulled just below her ass as he nails her on the bed. He slips a thumb in her ass and she tells him it feels good and asks him to fuck her harder.

When she gets on her back, the full puffiness of her pussy is seen. Steve diddles her clit as she tweaks her nipples and squeezes her breasts. Steve whispers dirty things and she doesn't have it in her to respond with words, responding instead with moans and heavy breathing. She sucks his dick again, still visibly stunned by its length, something that makes her all the more excited to get back on top of him. She climbs up and his pecker disappears deep into her hot spot and she grinds down, finding a healthy rhythm that pushes her to orgasm.

She turns around for a reverse cowgirl, but it doesn't last long. Soon she's again on her back with Steve jerking slowly as he gives her a goatee of his German gunk. She giggles at the massiveness of the load as Steve strokes her hair. Such a good girl.

TWINS!
HAWK 99

Twins! Twin sisters! *Beautiful* twin sisters! It's every man's fantasy. Meet **Charlotte** and her younger (by 10 minutes) sis, **Emily**, two of the nicest girls you'll ever meet. Charlotte and Emily are getting ready to go on a date with a couple of high-rollers from South America (no, the guys are not twins), whom our girls expect will spend mucho dinero on them in the hopes of getting them in the sack. But first there's going to be a lot of sisterly primping and preening; drying one another's hair, toweling off, that sort of thing. They've got matching undies, matching mini-dresses– and matching interests in fucking studly males.

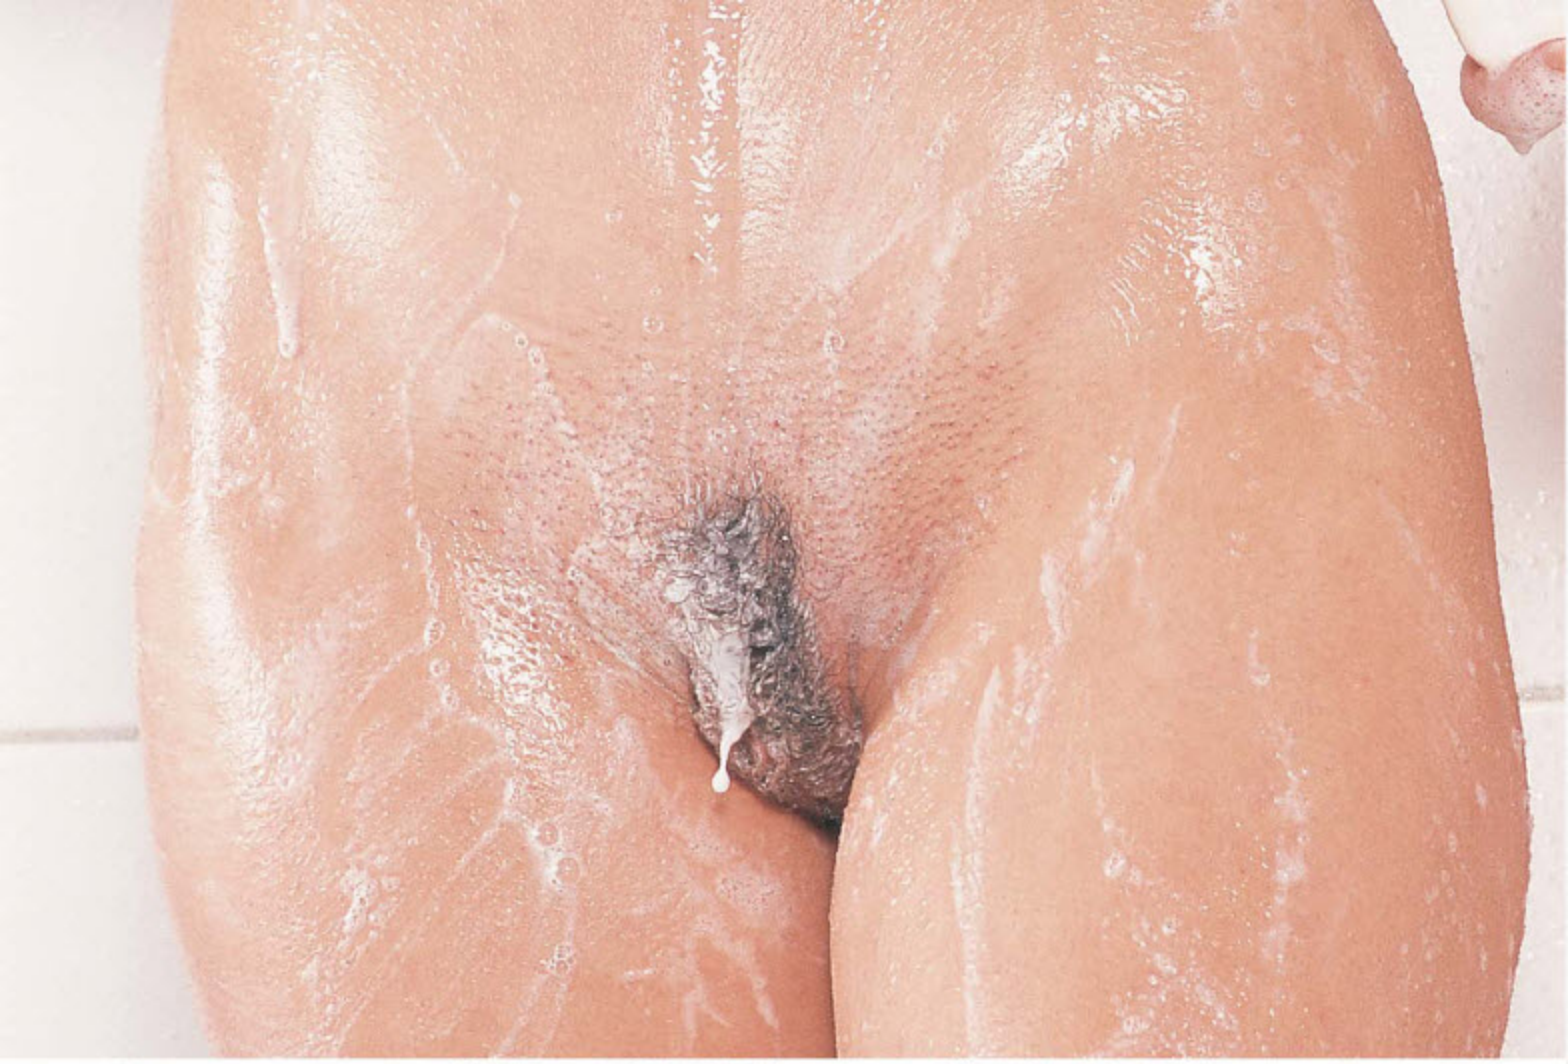

Rub-a
dub-dub...
two twins
in a tub!

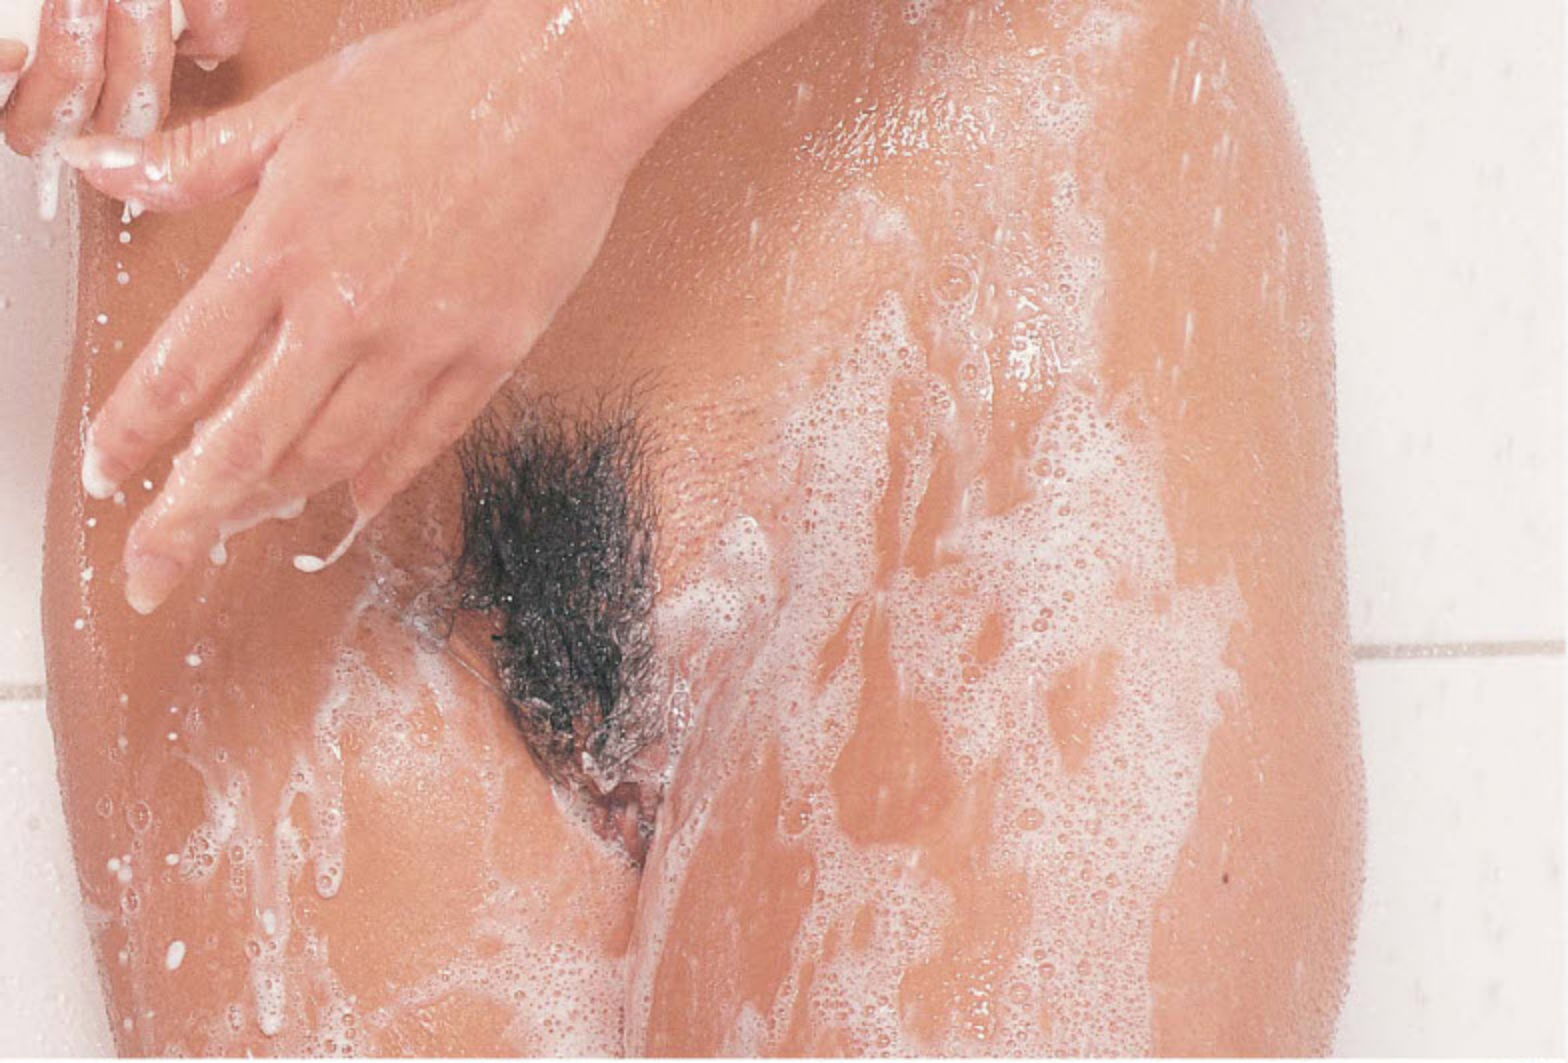

The girls are getting a slow start to their day because they've been sleeping late (*last* night was pretty wild, too). "So," begins Charlotte, "you think we should sleep with these guys tonight, or should we make them wait some more." "I think we should make them wait," answers Emily. "After all, this is only the first date." "Yeah," smiles Charlotte, "but I'm awfully fucking horny. I wouldn't mind, y'know, just goin' for it. Jumping their bones." "Charlotte, *you slut,*" Emily laughs, "you *always* want to jump their bones. Can't you think about anything other than sex?" Here, Charlotte sees the opportunity to get in the last word: "If I wasn't a slut," she laughs, *"I wouldn't be your sister!"*
